

Study Name: Children, Young People and Flooding: Recovery and Resilience, 2014-2016										
Depositor: Mort, M.										
Participant	Age (Child)	Gender	Role	Conversation Description	No Pages	Conversation File Name	Conversation Notes	Image Description	Image File Name	Image Notes
<b>Group Conversations and Images</b>										
Group 1 Rural: Amber, Christina, Ellie, Ruby, Ms Benson & Researcher	6-8yrs	5f	4 Primary School Pupils + 1 Teaching Staff	<b>Workshop 1 Walk &amp; Talk</b> The group converses about the rush to leave their homes before the arrival of floodwater, and mentions venturing to the village hall	2	CYPF_Conv001	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		
Group 2 Rural: Grace, India, Jane, John, Louisa & 2 Researchers	9yrs	4f + 1m	5 Primary School Pupils	<b>Workshop 1 Walk &amp; Talk</b> The group covers several topics in their conversation, including: the flooding & closure of the local cement works and pub, a power cut, correlations between the moon, tides & local flooding, and the death of someone who fell from a roof	10	CYPF_Conv002	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		
Group 3 Rural: Avril, Helena, Mark, Thomas, Cheryl & Researcher	10-11yrs	3f + 2m	4 Primary School Pupils + 1 Parent	<b>Workshop 1 Walk &amp; Talk</b> The conversation touches on a number of topics: local animals e.g. birds, cows, and (swimming) deer, the sanctioning of newbuild homes on floodplain territory, and warning neighbours of impending floods by knocking on doors	12	CYPF_Conv003	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		
Group 1 Rural: Amber, Christina, Ellie, Ruby, Ms Benson & Researcher	6-8yrs	5f	4 Primary School Pupils + 1 Teaching Staff	<b>Workshop 1 Photo Talk</b> The group discusses the flooding of a local cement works, rising costs of a local tollbridge, the movement and redistribution of objects carried by floodwater e.g. debris stuck in hedges, and the death of a worker during the reparation of a building	7	CYPF_Conv004	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 1 Photo Talk Images</b> Landscape photographs of heron and cement works	CYPF_Image001 CYPF_Image002	Photos have had date stamp removed
Group 2 Rural: Grace, India, Jane, John, Louisa & 2 Researchers	9yrs	4f + 1m	5 Primary School Pupils	<b>Workshop 1 Photo Talk</b> The group alludes to the water levels during the flood and mentions buildings affected by the flooding, such as a bird hut, a cement works and a residential area	7	CYPF_Conv005	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "...".	<b>Workshop 1 Photo Talk Images</b> Landscape photographs of Humber Bridge, boats in the creek, birds flying over the river and the muddy creek	CYPF_Image003 CYPF_Image004 CYPF_Image005 CYPF_Image006 CYPF_Image007	Photos have had date stamp removed

Group 3 Rural: Avril, Helena, Mark, Thomas, Cheryl & 2 Researchers	10-11yrs	3f + 2m	4 Primary School Pupils + 1 Parent	<b>Workshop 1 Photo Talk</b> The group discussion includes references to mud and the smell of floodwater in the home	8	CYPF_Conv006	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "...".	<b>Workshop 1 Photo Talk Images</b> Landscape photographs of a plastic bottle, boats in the creek and the land by the River Humber	CYPF_Image 008 CYPF_Image009 CYPF_Image 010	Photos have had date stamp removed
Groups 1,2 & 3 Rural	6-11yrs	10f + 3m	13 Primary School Pupils	<b>Workshop 1 Sandplay &amp; Modelling Talk</b>			No transcript. Sandplay was used as a precursor to the modelling activity, which involved a variety of natural and non-natural arts-based materials	<b>Workshop 1 Sandplay &amp; Modelling Images</b> Photographs of children engaged in sandplay and starting to make their models	CYPF_Image011 CYPF_Image012 CYPF_Image013 CYPF_Image014 CYPF_Image015	
Group 1 Rural: Amber, Ellie, Justin, Cheryl & Researcher	6yrs	3f + 1m	3 Primary School Pupils + 1 Parent	<b>Workshop 2 Walk &amp; Talk</b> The group mentions several topics including: boats, bridges, footprints, crabs, whales and bungalows	4	CYPF_Conv007	The 'Walk & Talk' conversations were recorded 'on the move' and some sections are inaudible due to the weather conditions.	See Photo Talk		
Group 2 Rural: Britney, Christina, Ruby & Researcher	8yrs	3f	3 Primary School Pupils	<b>Workshop 2 Walk &amp; Talk</b> The group discusses the discardment of flood-damaged possessions, flood defences, and strategies for coping with future floods	3	CYPF_Conv008	The 'Walk & Talk' conversations were recorded 'on the move' and some sections are inaudible due to the weather conditions.	See Photo Talk		
Group 3 Rural: India, Jane, John, Louisa, Ms Benson & Researcher	9 yrs	4f + 1m	4 Primary School Pupils + 1 Teaching Staff	<b>Workshop 2 Walk &amp; Talk</b> The group talks about pet dogs, cats, and guinea pigs, the importance of saving photographs, and losing birthday presents to flood damage	10	CYPF_Conv009	The 'Walk & Talk' conversations were recorded 'on the move' and some sections are inaudible due to the weather conditions	See Photo Talk		
Group 4 Rural: Avril, Helena, Mark, Thomas & Researcher	10-11yrs	2f + 2m	4 Primary School Pupils	<b>Workshop 2 Walk &amp; Talk</b>			No transcript	See Photo Talk		
Group 1 Rural: Amber, Ellie, Justin & Researcher	6yrs	2f + 1m	3 Primary School Pupils	<b>Workshop 2 Photo Talk</b> Very brief extract in which one child recalls viewing the flood from a vehicle and another child comments on the effect of flooding on ships.	1	CYPF_Conv010	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 2 Photo Talk Images</b> Photographs of a ship in the River Humber and a floor tile designed by local secondary schoolchildren	CYPF_Image016 CYPF_Image017	

Group 2 Rural: Britney, Christina, Ruby, Fiona & Researcher	8yrs	4f	3 Primary School Pupils + 1 Parent	<b>Workshop 2 Photo Talk</b> The group discusses photographs of the Humber Bridge, and boats. They also share feedback	2	CYPF_Conv011	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "...". This transcript links the conversation to the photographs by numbers	<b>Workshop 2 Photo Talk Images</b> Images Photographs of the Humber Bridge and boats on the river	CYPF_Image018 CYPF_Image019 CYPF_Image020	
Group 3 Rural: India, Jane, John, Louisa & Researcher	9yrs	3f + 1m	4 Primary School Pupils	<b>Workshop 2 Photo Talk</b> The group discusses photographs of boats, the Humber Bridge, and litter	5	CYPF_Conv012	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "...". This transcript links the conversation to the photographs by numbers	<b>Workshop 2 Photo Talk Images</b> Photographs of boats, the Humber Bridge and rubbish by/in the river	CYPF_Image021 CYPF_Image022 CYPF_Image 023 CYPF_Image024	
Group 4 Rural: Avril, Helena, Mark, Thomas & Researcher	10-11yrs	2f + 2m	4 Primary School Pupils	<b>Workshop 2 Photo Talk</b> In this short conversation the group chooses their favourite photograph	1	CYPF_Conv013	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 2 Photo Talk Images</b> Photographs of floor tile designed by local secondary schoolchildren and birds over the river	CYPF_Image025 CYPF_Image026	
Group 1 Rural: Amber, Ellie, Justin & 2 Researchers	6yrs	2f + 1m	3 Primary School Pupils	<b>Workshop 2 Sandplay &amp; Modelling Talk</b> The group creates and discusses a model ship, inspired by one of their photographs	3	CYPF_Conv014	The 'Sandplay and Modelling Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 2 Sandplay &amp; Modelling Images</b> Group model of a ship (the 'get happy' boat) and other groups' comments on the model	CYPF_Image027 CYPF_Image028 CYPF_Image029	
Group 2 Rural: Britney, Christina, Ruby & Researcher	8yrs	3f	3 Primary School Pupils	<b>Workshop 2 Sandplay &amp; Modelling Talk</b>			No transcript	<b>Workshop 2 Sandplay &amp; Modelling Images</b> Group model of the sea life in the River Humber and other groups' comments on the model	CYPF_Image030 CYPF_Image031 CYPF_Image032	
Group 3 Rural: India, Jane, John, Louisa & Researcher	9yrs	3f + 1m	4 Primary School Pupils	<b>Workshop 2 Sandplay &amp; Modelling Talk</b> The group discusses the reparation of some model towers and references 'Bob the Builder'	2	CYPF_Conv015	The' Sandplay and Modelling Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 2 Sandplay &amp; Modelling Images</b> Group model of landscape during and after flooding and other groups' comments on the model	CYPF_Image033 CYPF_Image034 CYPF_Image035 CYPF_Image036	

Group 4 Rural: Avril, Helena, Mark, Thomas & Researcher	10-11yrs	2f + 2m	4 Secondary School Pupils	<b>Workshop 2 Sandplay &amp; Modelling Talk</b>			No transcript	<b>Workshop 2 Sandplay &amp; Modelling Images</b> Group model of tree, flooded landscape and people on rafts and other groups' comments on the model	CYPF_Image037 CYPF_Image038 CYPF_Image029 CYPF_Image040 CYPF_Image041 CYPF_Image042	
Group 1 Urban: Ben, Daniel, Jodi, Sally, Ms Stephenson & Researcher	11-14yrs	3f + 2m	4 Secondary School Pupils + 1 Teaching Staff	<b>Workshop 1 Walk &amp; Talk</b> The group discusses a variety of topics including: plans & strategies for future floods, insurance assessments and claims, koi carp escaping from a pond, temporary relocation to an unfamiliar area, residing with relatives, burglaries, carbon monoxide poisoning, storing/parking cars, disability & using a wheelchair	31	CYPF_Conv016	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		
Group 2 Urban: Callum, James, Lewis, Ruth & Researcher	12-14yrs	1f + 3m	4 Secondary School Pupils	<b>Workshop 1 Walk &amp; Talk</b> The group chats about a number of topics: the role of a local church, army trucks & boats, electricity and gas supplies being cut off, carbon monoxide poisoning, fatalities, food parcels, kayaking, water pumps, disability, and appearing on television news	17	CYPF_Conv017	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		
Group 3 Urban: Anna, Lucy, Peter, Richard, Sara, Ms Johnson & Researcher	14yrs	4f + 2m	5 Secondary School Pupils + 1 Teaching Staff	<b>Workshop 1 Walk &amp; Talk</b> The transcript includes mention of fatalities, the emotional and mental impact of flooding, preparing for future floods, and the act of assisting others	7	CYPF_Conv018	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		
Group 1 Urban: Ben, Daniel, Jodi, Sally, Ms Stephenson & Researcher	11-14yrs	3f + 2m	4 Secondary School Pupils + 1 Teaching Staff	<b>Workshop 1 Photo Talk</b> The group's conversation covers a wide range of topics including: insurance (and lack of insurance), skips (and the raiding of skips), contamination & drainage, the cost of storage, temporary rental accommodation, manhole covers, death from drowning, using sandbags and clingfilm to contain toilet water, rebuilding of homes, and community spirit	24	CYPF_Conv019	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 1 Photo Talk Images</b> Photographs of a street sign about planned drainage works, a damaged wall, a puddle and a skip outside a flood-damaged house	CYPF_Image043 CYPF_Image044 CYPF_Image045 CYPF_Image046	

Group 2 Urban: Callum, James, Lewis, Ruth, Ms Johnson & Researcher	12-14yrs	2f +3m	4 Secondary School Pupils + 1 Teaching Staff	<b>Workshop 1 Photo Talk</b> The group discusses a range of topics, including: food parcels, pets, a local church, an evacuation centre, road damage, gas & electricity, carbon monoxide poisoning, cleaning, and the stealing of possessions from evacuated homes	15	CYPF_Conv020	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 1 Photo Talk Images</b> Photographs of drains and flooded streets. Images CYPF_Image048 and CYPF_Image049 were taken by two of the young people during the flooding and were given to us during and after the workshop. The young person who took CYPF_Image049 titled this photograph 'The Forgotten Street'	CYPF_Image047 CYPF_Image048 CYPF_Image049	
Group 3 Urban: Anna, Lucy, Peter, Richard, Sara, Ms Johnson & 2 Researchers	14yrs	4f + 2m	5 Secondary School Pupils + 1 Teaching Staff	<b>Workshop 1 Photo Talk</b> The group converses about a range of topics, including: wellies, skips, mud, flood-damage, discarding of furniture, and mould	5	CYPF_Conv021	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 1 Photo Talk Images</b> Photographs of blocked drains, skips, flood damage to a wall and wellington boots	CYPF_Image050 CYPF_Image051 CYPF_Image052 CYPF_Image053 CYPF_Image054 CYPF_Image055	
Groups 1, 2 & 3 Urban	11-14yrs	6f + 7m	13 Secondary School Pupils	<b>Workshop 1 Sandplay &amp; Modelling Talk</b>			No transcript. Sandplay was used as a precursor to the modelling activity, which involved a variety of natural and non-natural arts-based materials	<b>Workshop 1 Sandplay &amp; Modelling Images</b> Photographs of young people engaging in sandplay	CYPF_Image056 CYPF_Image057 CYPF_Image058 CYPF_Image059 CYPF_Image060	
Groups 1, 2 & 3 Urban	11-14yrs	6f + 7m	13 Secondary School Pupils	<b>Workshop 1 Reflections</b> The group discusses the various uses of water e.g. for hydroelectricity, cooking, washing machines, etc. They also share reflections on the workshop process	5	CYPF_Conv022	The Reflection conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	No images		
Group 1 Urban: Jodi, Lucy, Lewis, Ruth & 2 Researchers	14yrs	3f + 1m	4 Secondary School Pupils	<b>Workshop 2 Walk &amp; Talk</b> The group converses about a variety of topics: looting, parking cars, late flood warnings, sandbags, boats, swans, mildew, secondary flooding, residing with extended family during flooding, and the impact of flooding on education	8	CYPF_Conv023	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		

Group 2 Urban: James, Peter, Richard, Sally, Sara & 2 Researchers	11-14yrs	2f + 3m	5 Secondary School Pupils	<b>Workshop 2 Walk &amp; Talk</b> The group discusses several topics: building damage & reparation, redesigning of homes, accessibility of buildings, loss of sentimental items, waders, and temporary hotel accommodation	5	CYPF_Conv024	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		
Group 3 Urban: Anna, Ben, Callum, Daniel, Ms Stephenson & Researcher	12-14yrs	2f + 3m	4 Secondary School Pupils + 1 Teaching Staff	<b>Workshop 2 Walk &amp; Talk</b> The group's discussion covers several topics including: the impact of flooding on social life, community meetings, flooding bringing families closer together, studying for exams during floods, flood warnings, army and police intervention, and the act of being mindful of what one discards in the kitchen sink	11	CYPF_Conv025	The 'Walk & Talk' conversations were recorded 'on the move'. Some sections are inaudible due to the weather conditions	See Photo Talk		
Groups 1, 2 & 3 Urban	11-14yrs	6f + 7m	13 Secondary School Pupils	<b>Workshop 2 Photo Talk</b> The group conversations include mention of hazards, lifebuoys, floodgates, portaloos, and global warming	5	CYPF_Conv026	The 'Photo Talk' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "...". This transcript sometimes links the conversation to the photographs by numbers	<b>Workshop 2 Photo Talk Images</b> Photographs of benches by the river, the river, a skip, a gate, a damaged wall and a lifebuoy	CYPF_Image061 CYPF_Image062 CYPF_Image063 CYPF_Image064 CYPF_Image065 CYPF_Image066 CYPF_Image067	
Group 1 Urban: Jodi, Lewis, Lucy, Ruth & 2 Researchers	14yrs	3f + 1m	4 Secondary School Pupils	<b>Workshop 2 Sandplay &amp; Modelling Talk</b> The group creates a model skip and discusses ruined belongings, debris, & insurance	4	CYPF_Conv027	The 'Sandplay and Modelling' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 2 Sandplay &amp; Modelling Images</b> Group model of a skip and post-it notes with other group members' responses to the model	CYPF_Image068 CYPF_Image069 CYPF_Image070 CYPF_Image071	
Group 2 Urban: James, Peter, Richard, Sally, Sara & Researcher	11-14yrs	2f + 3m	5 Secondary School Pupils	<b>Workshop 2 Sandplay &amp; Modelling Talk</b> The group discusses their model of a city including a skip, chair, table, sofa, and raft. The conversation touches on various topics such as preparing for future flooding, the scope for change e.g. things turning from good to bad, and the adaptation of property after the flood	2	CYPF_Conv028	The 'Sandplay and Modelling' conversations were recorded in a workshop setting. Some sections are inaudible, have been removed and are signified with "..."	<b>Workshop 2 Sandplay &amp; Modelling Images</b> Group model of imaginary city 'Sassville' including model people from before and after the flood, a raft and a skip; photograph of group making the model	CYPF_Image072 CYPF_Image073 CYPF_Image074 CYPF_Image075 CYPF_Image076 CYPF_Image077 CYPF_Image078 CYPF_Image079 CYPF_Image080 CYPF_Image081	

Group 3 Urban: Anna, Ben, Callum, Daniel & Researcher	12-14yrs	1f + 3m	4 Secondary School Pupils	<b>Workshop 2 Sandplay &amp; Modelling Talk</b>			No transcript	<b>Workshop 2 Sandplay &amp; Modelling Images</b> Models of a rollercoaster at a theme park, a washed up, stranded boat and a flooded street	CYPF_Image082 CYPF_Image083 CYPF_Image084 CYPF_Image085 CYPF_Image086	
<b>Individual Conversations and Images</b>										
Amber	6	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of the River Humber and bridge	CYPF_Image087	
Avril	10	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of flooded landscape	CYPF_Image088	
Britney	8	f	Primary School Pupil				No interview			No image/model
Christina	8	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of the Humber Bridge	CYPF_Image089	
Ellie	6	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of Humber Bridge over the river	CYPF_Image090	
Grace	9	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of flooded house	CYPF_Image091	
Helena	10	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of flooded landscape	CYPF_Image092	
India	9	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of flooded landscape	CYPF_Image093	
Jane	9	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of flooded landscape	CYPF_Image094	
John	9	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of flooded house	CYPF_Image095	
Justin	6	f	Primary School Pupil				No interview			No image/model
Louisa	9	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of flooded house	CYPF_Image096	
Mark	11	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of flooded landscape	CYPF_Image097	
Ruby	8	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of river and landscape	CYPF_Image098	

Thomas	10	f	Primary School Pupil				No interview	<b>Workshop 1 Individual Model Image</b> Model of floodwater surge through the hedge	CYPF_Image099	
Andrew	15	m	Secondary School Pupil	<b>Individual interview</b> Discussion includes: the rising water, hurried evacuation of family and pet lizard, lengthy stay in hotel, home clean-up and strip-out, sandbags, community tensions, knowledge about flood warnings, politics, the media, education and displacement	34	CYPF_Conv029	Andrew decided not to take part in the participative workshops, partly due to the time commitment involved which he was concerned would encroach on his GCSE work. He agreed to a one-to-one interview			No image/model
Anna	14	f	Secondary School Pupil				No interview	<b>Workshop 1 Individual Model Images</b> Model of two hands holding flooded houses	CYPF_Image100	
Ben	12	m	Secondary School Pupil	<b>Individual Interview</b> Discussion includes: the speed of the rising water, fear, groundwater flooding, moving furniture, helping disabled neighbour, multiple moves to rented accommodation, new journey to school, how isolation affects friendships, making new friends, and sandbags	24	CYPF_Conv030	In addition to taking part in the participative workshops Ben asked for a one-to-one interview	<b>Workshop 1 Individual Model Images</b> Model of flooded landscape	CYPF_Image101	
Callum	12	m	Secondary School Pupil	<b>Individual Interview</b> Discussion includes: hurried evacuation from ground floor flat, displacement, living with relatives, wellbeing, stressful new journey to school, and blocked drains	41	CYPF_Conv031	In addition to taking part in the participative workshops Callum asked for a one-to-one interview	<b>Workshop 1 Individual Model Images</b> Model of flooded landscape	CYPF_Image102	
Daniel	14	m	Secondary School Pupil	<b>Individual Interview</b> Discussion includes: hurried evacuation from family home, the speed of the flood, lack of warnings or understanding of flood plans, living with grandparents, fear of burglary, loss of possessions and attitude of builders, issues of drainage, and local flood mitigation measures	11	CYPF_Conv032	In addition to taking part in the participative workshops Daniel asked for a one-to-one interview	<b>Workshop 1 Individual Model Images</b> Model of flooded landscape	CYPF_Image103	

Jack	14	m	Secondary School Pupil	<b>Individual Interview</b> Discussion includes: loss of gas, electricity & running water, how mum and sisters evacuated in boat while father and son stayed to look after pets, sewage, wellbeing, food, helping elderly neighbours, and sandbags	22	CYPF_Conv033	In addition to taking part in the participative workshops Jack asked for a one-to-one interview			No image/model
James	12	m	Secondary School Pupil	<b>Individual Interview</b> Discussion includes: evacuation to friends' family and experience of sharing the house, brother's evacuation by boat, moving things upstairs, sandbags, and the experience of talking about being flooded with others	10	CYPF_Conv034	In addition to taking part in the participative workshops James asked for a one-to-one interview	<b>Workshop 1 Individual Model Images</b> Model of person being saved from floods in a boat	CYPF_Image104	
Jodi	14	f	Secondary School Pupil				No interview	<b>Workshop 1 Individual Model Images</b> Model of flooded landscape	CYPF_Image105	
Lewis	14	m	Secondary School Pupil				No interview	<b>Workshop 1 Individual Model Images</b> Model of flooded landscape	CYPF_Image106	
Lucy	14	f	Secondary School Pupil				No interview	<b>Workshop 1 Individual Model Images</b> Model of flooded landscape	CYPF_Image107	
Peter	14	m	Secondary School Pupil				No interview			No image
Richard	14	m	Secondary School Pupil				No interview	<b>Workshop 1 Individual Model Images</b> Model of flooded landscape	CYPF_Image108	
Ruth	14	f	Secondary School Pupil				No interview	<b>Workshop 1 Individual Model Images</b> Model of flooded houses and SOS sign	CYPF_Image109	
Sally	11	f	Secondary School Pupil				No interview	<b>Workshop 1 Individual Model Images</b> Model of flooded landscape	CYPF_Image110	
Sara	14	f	Secondary School Pupil	<b>Individual Interview</b> Discussion includes: serving tea and coffee to flooded people at local village hall, flood warning leaflets, impressions of the flooded landscape, the dangerous depth of the floodwater, damage to props/costumes of village theatre group, stopping going to the park because of fear it hadn't been disinfected, and people taking precautions against future flooding	11	CYPF_Conv035	In addition to taking part in the participative workshops Sara asked for a one-to-one interview	<b>Workshop 1 Individual Model Images</b> Model of flooded river with person standing behind bridge	CYPF_Image111	

Julia		f	School Staff	<b>Individual Interview</b> Discussion includes: detailed description of the flood event and its impact on her home, local community, local area/infrastructure, the school building and pupils and staff	37	CYPF_Conv036	Start of project interview conducted with adult participant to provide context about the flooding			
Lauren		f	School Staff	<b>Individual Interview</b> Participant's home was flooded. Discussion involves: the rising water, sandbags & airbricks, moving furniture upstairs, hurried evacuation to hotel, living in rented accommodation, juggling new schools for children and returning to work at school, insurance, builders, installing flood resilience to house, and wellbeing	43	CYPF_Conv037	Start of project interview conducted with adult participant to provide context about the flooding			
Will		m	University student and community flood relief volunteer	<b>Individual Interview</b> Discussion includes: the rising water, the merits of volunteering for a local Flood Group, making up and delivering sandbags, children & young people helping out, community flood relief and spirit, the role the army and the police played, and the media	26	CYPF_Conv038	Interview with former local secondary school pupil who worked as a community flood volunteer			
David		m	Church Staff	<b>Joint Interview</b> Discussion includes: the rising water, the media, sandbags, setting up a flood relief centre, children on the streets, vulnerable families needing help, evacuation and temporary accommodation, local charities, local council/authority & the army, flood warnings, having/not having insurance, wellbeing, poverty, children helping out and OFSTED rankings	42	CYPF_Conv039	Interview with church staff member heavily involved in the local flood relief work			
Janet		f	Church Staff	<b>Joint Interview</b> See above	As above	CYPF_Conv039	Interview with church staff member heavily involved in the local flood relief work
