

## Lancaster University Bee Keepers

### Lancaster University Bee Keepers - Event

Debate on the theme of:

#### **Genetic diversity versus breeding black bees: the pros and cons.**

**Date: Thursday 29 November 2018, 4-6pm**

**Venue: Lancaster University, Eco Hub, the barn (SW campus, site ECO on the campus map)**

The debate will feature expert panelists:

*Dr. Phil Donkersley and Alexis Brownlee* from Lancaster Environment Centre,

versus

*Kath & Simon Cordingley* from the Bee Centre ([www.TheBeeCentre.org](http://www.TheBeeCentre.org)).

The debate will start with presentations by the panelists, who then will address questions from experts. The debate will end with open questions from the audience on the theme of genetic diversity and honey bee breeding.
