Research Institute, Ghana

**Prof. William Otim-Nape**  
Founder and Chairman, Africa  
Innovations Institute, Uganda

**Dr Akan Odon**  
Africa Strategy Advisor,  
Lancaster University, UK  
Moderator

To explore the challenges and opportunities for food security in Africa,  
encourage knowledge exchange between African countries and  
highlight the progress of the RECIRCULATE project (Work Package 3 -  
Water for Food Production)
