

Conscientious Objection: the Tip of the Iceberg of Practical Reason

Toni Saad
Foundation Doctor
University Hospital of Wales

Argument Outline

- Introduction
- Healthcare aims at beneficence
- Beneficence requires conscience
- Conscience requires conscientious objection
 - Conscientious objection to end/means
- Conscientious objection and clinical judgment/objection
- There is no consistent reason for forbidding conscientious objection

Conscientious
objection

Clinical
judgment

Conscience

Practical
Reason
