

What does good look like when trying to balance structure and flexibility in medical training?

WHAT DOES IT
MEAN
TO BE A DOCTOR
TODAY?

CLEAR
EXPECTATION
LEADS TO
MORE
SECURITY &
FLEXIBILITY?

KNOWLEDGE
IS POWER
(OR AT LEAST
CONFIDENCE!)

BUILDING RELATIONSHIPS

- TRAINER
- LENGTH OF PLACEMENT
- ENVIRONMENT
- COMMUNICATION
- SOFT-SKILLS (often under the radar)

ROLE MODELLING

There is a
distinction between
what gets called service
provision and what gets
called training
