

UKLVC PROGRAMME

👋 indicates that interpreters will provide access to this stage presentation in BSL
Some stage presentations will be in BSL with voiceover

DAY 1

0930-1030: registration

1020-1030: opening and housekeeping

1030-1130: keynote 1: **Christian Ilbury** - Social media and Sociolinguistic Change (👋)

Chair: Danielle Turton

1130-1200: break

Stage presentations session 1

1200-1300: Attitudes, identity, indexicality. Chair: Justin Lo

- 1200: **Lauren Hall-Lew, Claire Cowie, Florence Dimeo, Zuzana Elliott, Jessica Göbel and Nina Markl** - Changes in Indexicality at the End of a Sound Change (👋)
- 1220: **Lucy Jackson** - The CAT's Out the Bag: A study of real-time sound change in the socially stratified Glaswegian CAT vowel
- 1240: **Emma Moore and Robert J. Podesva** - "Townies try to pretend they're hard": Affect and the social history of FACE and GOAT in Bolton, England (👋)

1300-1400: lunch

Stage presentations session 2

1400-1500: Articulatory setting. Chair: Lois Fairclough

- 1400: **Maya Dewhurst** - Dialect-specific pathways to vowel nasalisation in the North West of England
- 1420: **Wendy Sandler and Svetlana Dachkovsky** - Foreign Accent in a Sign Language: Insight from the RSL-accented Israeli Sign Language (👋)
- 1440: **Thomas Packer-Stucki** - Reflex or Index? Using dialect poetry reading data to untangle the motivations for vowel space area style effects in the Black Country.

Poster session 1

1500-1630: posters

- **Nick Palfreyman, Luigi Leroose, Lilith Stein, Felix Stilzebach and Susanne Maria Michaelis** - Measuring grammaticalization cross-modally: Aspect markers in Creoles and sign languages
- **Susanne Wagner and Ulrike Stange-Hundsdoerfer** - Oh my goodness, this thing's fucking brilliant – On recent changes in the use of expressive intensifiers in British English
- **Sijie Mou** - Reconciling Divergent Findings on Age, Gender, and Locality: Sociolinguistic Variation of Rhotacisation in Beijing Mandarin
- **Sonja Schaeffler, Gravelle, D.C., Williams, G. P., Perschke, S. and Kempe, V.** - Historical Shifts in Child-Directed Broadcasting: A Sociolinguistic Perspective
- **Ryan Gibson and Tom Devlin** - Acts of Complementary Identity: an analysis of variation in pop song singing styles

- **Lucia Fraiese, Celeste Rodriguez Louro, Matt Hunt Gardner and Glenys Collard** - 'So we was goin' kangaroo shooting': was/were variation in Australian Aboriginal English
- **Leendert Plug** - 'Unstructured' intra-speaker variation in read speech: The case of SSBE monophthongs

- **Kathleen McCarthy, Elisa Passoni and Devyani Sharma** - Emergent varieties of London English in primary school: A longitudinal study
- **Jonathan Wei** - The phonetic role of the postvocalic consonant in Old English vowel breaking
- **Jessica Göbel** - What triggers linguistic bias against second-language accents? Examining the roles of accent strength, language, and group membership
- **Heba Bou Orm** - Attitudes in context: Stereotypes in evaluations of Lebanese voices in Australia
- **Hassan Hassan and Rose Stamp** - Language Variation and Change: A Study of Border Communities in the Golan Heights
- **Tom Devlin** - Style repertoire in political discourse: phonetic variation in the speech of Jonathan Reynolds MP
- **Cagla Karatepe** - Sarcasm in Improvised Performance: A Socioprosodics Lens
- **Ciera Haggar, Sonja Schaeffler, Felix Schaeffler and Neil Kirk** - How Vocal Characteristics Influence Listener Perceptions of Personality
- **Johanna Gerwin and Caitlin Hogan** - What you saying? Enregisterment and Visibility through Community-driven Commodification of London Dialects
- **Liam Ó hÍr** - Towards a Description of Black Hiberno-Englishes: Bricolage and the Diffusion of Features
- **Ben Gibb-Reid, Hasmik Gasparyan and James Cave** - A sociophonetic investigation into vowel realisations across singing and speech in a Middlesbrough community choir

Stage presentations session 3

1630-1730: Youth. Chair: Claire Nance

- 1630: **Sadie Ryan, Emma Moore and Joe Pearce** - 'I want a big sign above my head saying "I'm from Libya"': Fitting in and standing out for young migrants in Glasgow (👏)
- 1650: **Madlen Jones, Kathleen McCarthy and Gwen Brekelmans** - The influence of language environment on English speech production and perception by Somali heritage children in East London (👏)
- 1710: **Jane Stuart-Smith, James Tanner, Mridhula Murali, Polychronia Christodoulidou, Amy Smith, Lauren Taylor, Joanne Cleland and Anja Kuschmann** - Delineating the sociophonetic variation of vowels in Scottish primary school children

1730: reception

DAY 2

0900-1000: keynote 2: **Gabrielle Hodge** - The role of enactment in language and interaction
Chair: Nick Palfreyman

1000-1030: break

Stage presentations session 4

1030-1150: Dialect. Chair: Sam Kirkham

- 1030: **Sarah Kirk-Browne and Devyani Sharma** - 100 years of spoken English: the Regional English Dialects Diachronic (REDD) corpus project (👏)
- 1050: **George Bailey** - Northern roots: Random forests and northern English dialect levelling revisited
- 1110: **Faith Chiu, Ella Jeffries and Amanda Cole** - Accent bias in UK healthcare settings (👏)
- 1130: **Shiguang Hu** - New town koineisation and the effect of multiple migration waves: The case of Pingdingshan Vernacular Mandarin (👏)

1150-1300: lunch

Stage presentations session 5

1300-1420: Linguistic structure. Chair: Nick Palfreyman

- 1300: **Devyani Sharma, Paul Kerswill, Andy Gibson, Sam Hellmuth, Elisa Passoni, Joe Pearce and Kathleen McCarthy** - Multicultural London English in real time: Change and stasis over 20 years (👏)
- 1320: **Célia Richy** - Covariation, implicational scales and windows of coactivation in a borderland variety (👏)
- 1340: **Alice (Anis) Marikan** - Classification and variability of the Northern Malay dialects (👏)
- 1400: **Rose Stamp** - Showing language change: Examining the sociolinguistic distributions of depicting signs in Israeli Sign Language (👏)

Poster session 2

1420-1550: posters

- **Yvonne E Waddell and Elizabeth Lafferty** - Sociolinguistic variation in British Sign Language: St Vincent's sign variant
- **Xinzi Hou and Eleanor Chodroff** - Effects of focus condition on f0 range in Nanning Mandarin, Nanning Cantonese, and Standard Mandarin
- **Taryn Hurley Hall** - The status of the LOT-THOUGHT merger in Barbadian English
- **Svetlana Dachkovsky, Rose Stamp, Shirit Cohen-Koka and Bracha Nir** - What can multi-componential analysis tell us about PALM-UP and its functions in sign language across text types?
- **Si Berrebi and Roey J. Gafter** - The prosodic construction of ethnicized personae on Israeli Television
- **Sarah van Eyndhoven** - Continuity and change in the correspondence of 19th century Scottish immigrants to New Zealand
- **Ryan C McMurphy** - Ethnic Identities Expressed in Speech Production

- **Rob Drummond and Caitlin Halfacre** - Phonetic parallels in Diphthong Variation in Greater Manchester: FACE and GOAT
- **Liz Blackwell and Kirsty McDougall** - A preliminary investigation of vowel lowering in Wellington, New Zealand
- **Kirsty McDougall, Alice Paver, Martin Duckworth, Liz Blackwell and Debbie Loakes** - Variation in the use of silent pauses in Aboriginal and Mainstream Australian Englishes in Warrnambool, Victoria
- **Katelyn Taylor and Kirsty McDougall** - Misheard and Misgendered? The Accuracy of Speaker Gender Identity Attribution
- **Jonathan Morris and Mercedes Durham** - Mapping dialectal variation in Welsh English: Speak for Yersel - Wales!
- **Janet Coulson, Sonja Schaeffler, James M Scobbie and Jennifer Smith** - Caught in the act: capturing interactional style-shifting in bidialectal speakers through improvisation
- **Heather Turner** - Language Attitudes in Azerbaijan: An Auditory Affective Priming Study
- **Ella Gregory and Bronwen G. Evans** - Acquiring sociolinguistic competence: how 9-11-year old children in a London suburb use and perceive variation
- **Danielle Tod** - Tracking dialect change in London-based New Zealanders: A real-time study of variation and change in the short front vowels
- **Caitlin Hogan** - OMGGG: The Social Meaning of Iconic Orthographic Variation on Social Media
- **Brian José** - Broadcast Standard (American??) English : A BBC Perspective
- **Yuanmeng Ma and Rose Stamp** - Gender and Age Effects on Turn-taking Behaviours in Israeli Sign Language
- **Holly Dann, Catherine Sangster and Matthew Moreland** - Introducing Northern English Pronunciations to the Oxford English Dictionary

Stage presentations session 6

1550-1710: Perception. Chair: Seren Parkman

- 1550: **Anna Kai Jørgensen** - Acoustic and perceptual measures of accommodation in interaction: Evidence from Danish
- 1610: **Chris Montgomery** - 'She dropped her nice reading voice and her real accent came out': What are listeners attending to when they hear speakers? (👂)
- 1630: **Brendan Regan** - A tale of two mergers: Social perceptions of the SESEO and ROTACISMO mergers in Sevilla, Andalucía

1715: run or walk for fun

1930: conference dinner

DAY 3

Stage presentations session 7

0930-1030: Morphosyntactic variation. Chair: Pamela Forster

- 0930: **Luigi Leroese** - At the crossroads: A sociolinguistic perspective on aspect markers in Triestine Sign Language
- 0950: **Louis-Geoffrey Gousset** - Covariation in the Tyneside English object pronoun system (👏)
- 1010: **Arjun Shrestha, Hannah Lutzenberger and Adam Schembri** - The effect of linguistic and social factors on handshake choice in classifier verbs in Nepali Sign Language (NSL)

1030-1100: break

1100-1200: keynote 3: **Sophie Meekings** - Talking humans in a social world: The importance of sociolinguistics to speech neuroscience (👏)

Chair: Sam Kirkham

1200-1300: lunch (business meeting 1230-1300)

Stage presentations session 8

1300-1400: Prosody and cognition. Chair: Danielle Turton

- 1300: **Marc Barnard, Bronwen G. Evans and Devyani Sharma** - Investigating the role of attention and experience in regional accent categorisation (👏)
- 1320: **Ang Wei Ning Shermaine and Lauren Hall-Lew** - Reframing Depression through Sociolinguistics: Pause Duration and Social Meaning in Singaporean Women's Speech (👏)
- 1340: **Xinran Gao** - Prosodic and Social Conditioning of Non-modal Voice Quality in Shanghai Wu Chinese

Poster session 3

1400-1530: posters

- **Yitian Hong, Grace Wenling Cao, Ann Wai Huen To, Yuanlin Yang, Peggy Mok** - Cantonese Speakers accommodate to AI and Human speakers differently
- **Xinyi Zhao and Bronwen Evans** - Learning variation in a second language: Effects of listener experience and attention control on regional accent processing
- **Shoji Takano, Ichiro Ota, Yoshiyuki Asahi and Kenjiro Matsuda** - Changes and Constraints in Intonational Phrase Formation in Japanese: An Analysis of Spontaneous Speech from Tokyo Japanese Speakers
- **Ulrike Stange-Hundsdörfer** - That was real(ly) kind of you. – On the variation of the adjective intensifiers real and really in British and American English
- **Seren Parkman** - The effect of chronological age and social class on speech production
- **Roy Alderton, Ruohan Guo, Hongzhi Wang, Xinyi Zhao and Bronwen G. Evans** - Sociophonetic variation in Mandarin vowels and its effect on L2 English vowel production
- **Maisarah M Almirabi** - A Comprehensive Morphophonological Analysis of Diminutive Derivation in Arabic
- **Katalin Balogné Bérces and Erika Sajtós** - New dialect formation in New Zealand Englishes: Laryngeal effects of donor dialect and substrate
- **Chloé Vincent, Célia Richy and Farida Soliman** - Testing Hexagonal French speakers' strategies to refer to occupations in generic contexts

- **Caitlin Halfacre** - Is it time to call time on RP?: Towards a renewed approach to social stratification and language variation
- **Carmen Ciania, Peter L. Patrick and Pasquale Esposito** - What's the Frequency? Evaluating lexical frequency measures over phonological and morphological effects
- **Alice Paver and Kirsty McDougall** - Variation in the effect of voice quality on perceived voice similarity: what listeners hear vs. what they say
- **Joshua Coombs** - B[a:]ths and ca[ɹ]s in Wiltshire: Investigating Apparent Time Phonological Change in the South-West of England
- **Bartolome Diaz Martinez** - Voices of Sheffield: Sociophonetic Perceptions of Dh-Stopping in South Yorkshire
- **Sara Lanesman and Rose Stamp** - Language attitudes towards variation in the Israeli deaf community

Stage presentations session 9

1530-1630: Segmental variation. Chair: Maya Dewhurst

- 1530: **Scarlett L. Hart and Daniel Duncan** - Real-Time Change in Newcastle /l/: Evidence from the Diachronic Electronic Corpus of Tyneside English
- 1550: **Christopher Strelluf, Ayman Alrajhi, Sophie Frankpitt, Xinran Gao, Cagla Karatepe and Holly Taylor** - Donald Trump has lowered THOUGHT for five decades (👏)
- 1610: **Mercedes Durham and Ianto Gruffydd** - Realisations of /t/ in South East Wales: Glottals, taps and [h]s

1630: end of conference
